ALBERTA CULTURE DAYS 2018

Brooks – The Brooks Public Library has been selected to be a Feature Site for the upcoming Alberta Culture Days, which takes place September 28 – 30, 2018. While Alberta Culture Days officially takes place over the weekend, Brooks and the surrounding areas typically spend all week celebrating arts and culture.

Alberta Culture Days is Alberta's largest celebration of our artistic sector, heritage, cultural diversity and provincial pride. Alberta Culture Days began in 2008 as Alberta Arts Day, a one-day event to recognize the value of Alberta's arts and cultural communities. Since then, it has expanded into a vibrant, three-day, province wide celebration that has helped inspire the creation of Culture Days, a pan-Canadian movement to raise the awareness, accessibility, participation and engagement of all Canadians in the arts and cultural life of their communities.

City of Brooks and County of Newell residents will have a wide range of arts and cultural experiences to enjoy. All residents and their families are encouraged to attend and embrace the different cultural and artistic attributes that our community has to offer. For a full list of activities that are being provided throughout the weekend, please visit www.brooks.ca/abculturedays. The City of Brooks is proud to host our annual Taste of Nations event at the JBS Canada Centre Fieldhouse on Saturday, September 29 from 12:00pm - 4:00pm. This year will be the largest event to date, with twenty vendors scheduled to provide a variety of cultural food options.
